

IMPORTANT PARENT CO-PAYMENT INFORMATION

Effective November 1, 2009

- ◆ During the period November 1, 2009 through September 30, 2011 or as long as American Recovery and Reinvestment Act (ARRA) funds are available, parent co-payment amounts are being reduced by 15%.
- ◆ Parents who have been approved for child care benefits are required to help pay for the cost of their child care.
- ◆ You **MUST** make a payment, called the Parent Co-Payment, to your child care provider each month.
- ◆ The amount of your parent co-payment is shown on the Approval Notice.
- ◆ The Department will pay your provider directly for the remaining child care charges up to the maximum rate. The Department will not pay for any child care charges over the maximum rate.
- ◆ Your provider will tell you when to pay the parent co-payment, each week or once a month. The total co-payment amount you pay your provider each month should be the same as the monthly co-payment amount listed on the Approval Notice.
- ◆ If you have more than one provider, only one provider will be assigned to collect the parent co-payment. The amount of the parent co-payment will be shown on the Approval Notice for the provider assigned to collect the parent co-payment. The Approval Notice will show if the provider is not assigned to collect the parent co-payment.
- ◆ The amount of your parent co-payment is based on gross monthly income, family size, and number of children receiving child care.
- ◆ The parent co-payment amounts are listed below. If the majority of care for the month is for less than 5 hours per day for each child, the amount of the parent co-payment will be reduced by one-half.
